### What you need:

Glass Jars

Paint, we used a multi-purpose paint and painted the outside out of jars. If you are worried about the paint chipping you can add a layer of glass Modpodge, use glass paint, or paint the inside of the jar instead.

Foam Brush

Black Permanent Vinyl

Scissors

Dinosaur silhouette shapes

## Battery operated tea lights

### **Instructions:**

- Wash jars with warm soapy water and allow drying.
- Add paint to the bottom of the jar. Use a foam brush to paint to prevent streaking.
- While paint is drying, cut out a strip of vinyl (approximately 1 inch thick) and create the ground.
- Using black paper or card cut out dinosaurs or whichever design you chooses to stick to the jar.
- Insert battery operated tea light and have fun watching your dinosaurs appear in the dark!
