

'Growing life-long learners.'

Keen, motivated learners.

Working together to develop keen, motivated learners Thank you to everyone who attended our recent parents' evenings. These meetings are vital for our partnership and help us achieve this school development priority.

What We Discussed

During your meeting, we shared:

- Your child's personal development and attitudes towards learning
- Their behaviour and contribution to our school community
- Attainment and progress in reading, writing, and maths
- Next steps to help your child continue to progress this term

If You Missed Your Appointment

Your child's Class Teacher will be approaching you to share the attainment summary and next steps for this term. Please attend future Parents' Evenings as a matter of priority – these conversations are essential for supporting your child's learning journey.

Talk to Your Child

Ask your child: *"What are you most proud of in your learning this term? What's one thing you'd like to get better at?"*

Avid, skilled readers.

Ambitious, aspirational curriculum.

Inspiring, invested staff.

Welcome to all new families!

Following national offer day of primary school places for pupils who are due to start school in September, we would like to extend a warm Moston Fields welcome to all families that will be joining our school community. An initial letter was shared with families asking for them to contact the School Office to accept their place, as per Manchester City Council policy. Please do this (and encourage others too) if you haven't already been in touch.

The next steps will be inviting you to 'Stay and Play' sessions, as well as sharing important information around transition and starting school. In the meantime, feel free to visit the EYFS section of our school website.

Important Notes & Reminders

Water Bottles

Please ensure your child brings their water bottle to school each day, particularly as we head into the warmer months of the year. Remember that these bottles should contain water only. Juice, cordial and fizzy drinks are not permitted during the school day.

Y6 SATs Week

Our brilliant Y6 pupils will soon be completing their end of key stage assessments, before taking part in a range of experiences and opportunities to mark their end of their time at Primary School. Parents/carers have recently been sent a letter and key dates have been shared by the Y6 teaching team – please look out for these and note the dates.

Attendance & Punctuality

Excellent school attendance remains a priority and legal requirement for all children and families. Every minute of every day matters and research shows that pupils with excellent attendance go on to have excellent outcomes later in life.

Class attendance data is currently as follows:

Registration Form	Prev %	Curr %	Improved
Willows	100%	100%	👍👍
Nursery Maple	93%	93%
