

'Growing life-long learners.'

Keen, motivated learners.

This week, our Year 6 pupils have shown exactly what it means to be **keen, motivated learners** at Moston Fields as they completed their SATs.

Throughout the week they have demonstrated:

- **Determination** – tackling challenging questions with resilience and perseverance
- **Focus** – giving their very best effort and concentration in every test
- **Positive attitudes** – approaching each day with confidence and self-belief

We are very proud of how hard they have worked, not just this week but throughout the year in preparation for these assessments. Their maturity, commitment and the learning behaviours shown will serve them well as they move forward to secondary school and beyond.

Thank you also to parents and carers for your support at home – your encouragement and commitment to ensuring they arrived in school on time and ready for the day ahead has made a real difference.

Year 6, you are a credit to our school community. **Well done!**

Avid, skilled readers.

Ambitious, aspirational curriculum.

Inspiring, invested staff.

Important Notes & Reminders

No Dogs on School Site

Please be reminded that dogs are not permitted anywhere on the school site, including the playground, pathways, entrances, car park and all other areas of the school grounds (except registered assistance dogs). This policy ensures the safety and wellbeing of all our pupils, particularly those with allergies or anxieties around dogs

Bikes/Scooters

It is great to see so many families arriving to school on their bikes/scooters. If you arrive late and need to sign in at the main office, please take scooters and bikes home with you as the playground has been secured and access to the bike/scooter store is not available after this time. We appreciate your understanding and encourage families to arrive on time to avoid this inconvenience.

School Lunch Ordering

Thank you for ordering lunches via School Grid. Remember, you can order weeks in advance (not just on the day) and please click through **all options** available for your child, including the dessert option, to avoid them being disappointed if their preferred choice is unavailable.

Medical Appointments

Please book medical appointments outside of the school day wherever possible. Families have **175 days of school holidays throughout the year** to arrange non-emergency appointments such as dental check-ups, routine GP visits and optician appointments, helping to minimise disruption to your child's learning.

Attendance & Punctuality

Excellent school attendance remains a priority and legal requirement for all children and families. Every minute of every day matters and research shows that pupils with excellent attendance go on to have excellent outcomes later in life.

Class attendance data is currently as follows:
